

Powerful Prayer for Conception

This prayer is designed to take authority over conditions that bring on pregnancy failure. It is recommended that the believer say these prayers until their desire is manifested. The more you say it the more your faith will be increased because faith cometh by hearing and hearing by the word of God.

Father, I come to you in the name of Jesus. I'm asking you to move by your spirit and touch me now. Let your anointing flow from the crown of my head to the soles of my feet. Your word says in John 14:14 If I shall ask anything in your name then you will do it. I am a child of God, so I speak these words in faith knowing that you are able to do exceedingly and abundantly and above all I can ask or even think.

I claim the promises of God concerning childbearing today in Jesus name. I claim victory over infertility, miscarriages, barrenness and pregnancy loss. In Jesus's Name. All damages done to my vagina, cervix, uterus, ovaries, fallopian tubes and fimbria are undone and healed right now. My reproductive organs are functioning and working as God ordained and designed them to work. I receive my miracle today in Jesus name.

Thank you Lord, that by your stripes I am healed. Lord send your heavenly surgeons to operate on every part of me that is not in alignment with your word and will. Every late childbearing curse programmed against my life, break by fire in the name of Jesus. No weapon that is formed against me shall prosper. Right now, I praise God because this is my season to be fruitful, multiply and replenish the earth. In Jesus name, everything that has been hindering me from conceiving must come to an end. Every curse of infertility has to die. Every root of barrenness must be instantly destroyed by the power of God. Jesus died so that I can be set free, delivered and made whole. The blood of Jesus is covering this prayer and God is watching over his word to perform it in my life. By faith, I receive wholeness in all parts of my body.

I am fruitful, I am a happy mother of children and my womb is blessed by God. There is no barrenness in my land. I will carry a baby to full-term. God has not forgotten about me. I'm made in his image and likeness. I thank God that I'm coming out with a testimony. I receive my pregnancy breakthrough today in Jesus name. Amen.
